

# PUBLIC MEETING

The Natural Resources Conservation Service (NRCS), with assistance from the Washington County as the project sponsor, announces the availability of the Draft Supplemental Watershed Plan and Environmental Assessment (Plan-EA) for the Warner Draw Watershed and Flood Prevention Operations Project (Project) within the Warner Draw Watershed in Washington County, Utah.

You are invited to attend a virtual public meeting where project information will be provided and comments solicited for the Project Draft Plan-EA. Interested parties may voice their comments, ideas, and concerns to NRCS and Washington County during this meeting.

When: January 27, 2022  
6:00 PM to 7:30 PM

Register for the Meeting at: <https://tinyurl.com/Warner-Draw>  
After your meeting registration is complete, you will receive an email with instructions on accessing the meeting virtually or by phone.

An electronic copy of the Draft Plan-EA and other Project materials can be downloaded from the NRCS Project website accessed from the web address below. A hard copy of the Draft Plan-EA is also available for review at the Hurricane Branch Library (36 S 300 W, Hurricane, UT 84737) and St. George Library (88 W 100 S, St. George, UT 84770).
